Company Data

Cage Code: 0WNE1 | **Duns #** 116236191
Business POC: Tara Copanas
Phone: (513) 932-0025 | **Fax:** (513) 932-1688
Website: www.overlyhautz.com
Email: motorbases@overlyhautz.com
Address: 285 S. West St., Lebanon, OH 45036
35 Employees

ABOUT OVERLY HAUTZ

Overly Hantz Company is a modern metal fabricator and leading worldwide designer of electrical motor and gearbox mounting products. Located near Cincinnati, OH, we domestically manufacture the broadest and most complete line of motor bases, rails and custom mounts in the world.

Established in 1934 as a job shop, today Overly Hantz is an experienced contract manufacturer, with in-house engineering, customer service and a focus on quality.

CAPABILITIES & SERVICES

- **Large-Scale Capacity:** Two climate-controlled facilities with over 43,400 square feet of manufacturing space. 5-ton overhead bridge crane system.
- **Custom Solutions:** Metal fabrications made to specification from various steel types (carbon steel, stainless steel, galvanized steel, structural steel, and solid bar). Oversized items and large-footprint manufacturing projects.
- **Full Fabrication:** Machining, welding, post-processing, assembly and powder coat paint.
- **Advanced Equipment:** Laser metal processors, robot welders, pneumatic presses, CNC machining, shears, brakes, and drills.

DIFFERENTIATORS

- **American made and owned:** Quality, reliability and support from a domestic company
- **Advanced technology:** Shop tracking software, multiple lasers for precision metal cutting, robot welders and CNC machining for efficient and high quality production
- **Exceptional customer service:** Dedicated team focused on meeting client needs
- **3 US Patents** and a **US Trademark** on our Motor Base Product Lines
